We are particularly interested in individuals with expertise in:

- ① Inclusion
- ② Digital and Communications
- ③ Partnerships with Key Stakeholders including Employers

Trustees are jointly responsible for the overall governance, strategy and stewardship of DEBP. You do not need previous trustee experience – we welcome applications from people who bring insight, networks, lived experience or professional expertise aligned to our mission.

**Mission:** *To champion the potential of every young person by offering specialist guidance, inclusive support and opportunities to shape a future based on their abilities, not their circumstances.*

Trustee roles are voluntary and unpaid, though reasonable expenses are reimbursed. Board meetings are held six times a year at our office in Chesterfield for half a day each, plus one strategy/review day per year.
